That didn't sit well with others, who soon launched a coordinated effort that resulted in Finlayson's suspension, and in recent days, the formal termination of his employment.

Critics have said what happened to Finlayson is an assault both on free expression and academic freedoms, but beyond selective coverage in a handful of outlets, Canadians would be hard-pressed to see any mention of his saga in major newspapers and broadcasters.

HonestReporting Canada is an independent grass-roots organization promoting fairness and accuracy in Canadian media coverage of Israel, the Middle East and matters affecting Canada's Jewish community, and which works to challenge anti-Jewish rhetoric, particularly when antisemitism hides behind a mask of anti-Israel criticism. With the assistance of our over 80,000

members from coast to coast, HRC monitors the media, recognizes excellence and exposes inaccurate and biased reporting on the region.

This is totally disgusting.....Mr. Finlayson is a more decent human being than any of his phony muslim/Hamas supporting useful idiots.

My adult daughter was a strong lefty, she was involved with many very left groups.

When covid came she would not get vaccinated because of previous medical issues. She said she would be responsible, and be careful, and she was.

All of her so-called lefty friends abandoned her.....and basically cancelled her.

Now she is very far right....she has learned that only the right protects individual freedoms. The socialists and Marxists make you conform or you are out.

Mr. Finlayson was cruelly cancelled by the lefties who do not stand for individual rights.....how can they make you become a socialist if they can't control you. They only want the dull and stupid who think they will get equality, but all they get is equally poor.

Others have gone through the same, Amy Hamm at the National Post, Jordan Peterson, Lindsay Shepherd at Wilfrid Laurier etc. Our institutions have been taken over by muslims and their marxist useful idiots.

I hope you find even better employment Mr. Finlayson, you are the only intelligent one in this group of anti-Semitic loser morons.
